Dear Mr. Hranicka,

Thanks for your kind ~~offer~~ offer.

We do keep a mailing list and you are now on it. The real question is money, enough to pay a printer, and that is too much money.

However, if and when we can bring out the next book, which is done, you'll get a notice.

Oswald in New Orleans was an original paperback selling for 95¢. We have only a few copies. We have to get $21.00 for them because of the replacement problem.

We do appreciate your letter.

Sincerely,
